

Prepare for the PMI Risk Management Professional (PMI-RMP)® exam through this newly developed, blended instructor led and eLearning exam prep course. Tailored to cover in depth concepts and tool & techniques related to the 4 primary PMI-RMP® exam objectives: Risk Communication, Risk Analysis, Risk Response and Risk Governance.

Exclusively designed to help you pass the rigorous 170-question exam covering the PMI-RMP exam blueprint. Participants learn key strategies for exam taking and have unlimited opportunity to practice for 90 days, in a closely simulated eRMP exam simulator environment with free, unlimited email support. Each of the 745 questions has a full explanation to support the correct and incorrect answers, along with a reference to the *PMBOK® Guide* 100s of flash cards isolate the weak concepts to focus on along with our progressive learning analyzer. Equipped with both the knowledge of the environment and type of questions similar to the PMI-RMP® exam, enables participants to write the exam with confidence and fully prepared to succeed.

This workshop, qualifies participants for 50 contact hours and/or earn 50 PDU's.
